

Bebe Rexha, Worst Way

I don't wanna lie.
I don't wanna hide.
I just wanna feel.
I don't wanna fight.
Baby just go deeper.

Can you bring me in.
Show me all your sins.
Tell me, who you are.
Tell me, who you've been.
Baby just go deeper.

'Cause I'm not afraid to tell you,
That I'm not afraid to stay.
Even though my heart's been broken,
I am not ashamed to say. (Ooho)

Baby come close, 'cause I wanna give it to you in the worst way.
Give it to you in the worst way. (Ohohohooho)
Baby come close, 'cause I wanna give it to you in the worst way.
Give it to you in the worst way. (Ohohooh uuuuh, ohohooh, yeah yeah)

I don't wanna lie.
I don't wanna hide.
I just wanna feel.
I don't wanna fight.
Baby just go deeper.

Can you bring me in.
Show me all your sins.
Tell me, who you are.
