Miscellaneous Whiskey Faced, Radioactive, Blowdryin' Lady Alright here's a stupid song i wrote today Yeah Alright, ok this is called uh... ->would this be a world premiere? Yeah this is probably the first and last time you'll hear this one... Ok this is uh...this is whiskey bottle - no this is called uh Whiskey-faced radioactive blowdryin' lady or something

Take out your whiskey bottle there Now you don't even move out of your chair Your getting juiced up beyond belief I can barely love you when your getting drunk all the time

You can get out a blowdryer and Blowdry the hair right off of your head You can saute
