

Bee Gees, Buried Treasure

Now if the aim in your life is to settle me down
I couldn't change my point of view
I got a lady in red at the back of my head
But the women in white is you
Do you wanna be the only one
Fade away in the morning sun
I could love you all of my life
You are my wife
Haven't I let you know

We don't need no buried treasure
No buried treasure - we don't need it
We don't stand on ceremony
I love you only - I'm proud of it
You can never be all you wanna be
When you're living for gold
We don't need no buried treasure
I still got you
I still got you in my soul

Well it's a long way down and you gotta get up
You got to figure on a master plan
You couldn't do it if you don't get ready
When you're beaten by the other man
Do you wanna be the last one in
Play the game that you just don't win
I can see me making you cry
Saying goodbye
But I could never let you go

We don't need no buried treasure
No buried treasure - we don't need it
We don't stand on ceremony
I love you only - I'm proud of it
You can never be all you wanna be
When you're living for gold
We don't need no buried treasure
I still got you
I still got you in my soul

Well you're taking my life in the palm of your hand
Make you mine for another day
Ain't nobody doesn't need anybody
When the good times turn away
I don't wanna be the lonely one
Fade away in the evening sun
I could love you all of my life
You are my wife
Haven't I told you so

We don't need no buried treasure
No, buried treasure - we don't need it
We don't stand on ceremony
I love you only - I'm proud of it
You can never be all you wanna be
When you're living for gold
We don't need no buried treasure
I still got you
I still got you in my soul
