

Belly, The Weeknd, Die For It ft. Nas

I was told that it was heaven
I was told that it was there before
I was told that you would never leave
And I was told that it was there before

If this is what it is, then I'll die for it
If this is what it is, then I'll die for it
If this is what it is, then I'll die for it
If this is what it is, then I'll die for it

I remember sleepin' od floors and missin tours
I was rock bottom
Money on my head
That was top dolar
Had the stock para, gun powder
Dor the rottwellers
I was home with pops when the cops got him
Voices in my head
Tryna kill the noise
They kipped Nip, will never fill the void
I know the devil cried a tear of joy
Look, i know the devil cried a tear of joy
I never tell, but you heard the stories
I can never telli s this heaven or purgatory
Early mornin' ain't early for me
I am losin' sleep
Whole lot of sheep
I am count them each
But fuck it!, i been up late
I been getting twosted
I been mixing up the love, hate
Swear this shit is glitchin
I've been missin' for a month straight
Lost faith, bur i am die for it
I am win, i just hope that i am alive for it

If this is what it is, then I'll die for it
If this is what it is, then I'll die for it
If this is what it is, then I'll die for it
If this is what it is, then I'll die for it

How much money willi t cost us
Feds, bounty hunters at the office lookin' for some of our artists
We just tryna help 'em out
So they can change the outcome
Instead of puttin' pain in teh street
They makin' albums
Changin' they sourroundin'
Hopefullyhousing
Smoking
We louging in BOca Ration
Not a clous in the sky
Ocean for mars shit
You can die a legend if it's on sight
I get so lost in my thoughts, powerful
Things i would die for
Everything i built for 20 years
Won't allow you to make that crumble
Put you in the ground
I would ctahc a case for jungle
And lean through the wondow
Extendo to clean ypu up
Rest in peace to King Shooter
A foundation of such kids can stand

For respect, for my bame, foe the fam

If this is what it is, then I'll die for it
If this is what it is, then I'll die for it
If this is what it is, then I'll die for it
If this is what it is, then I'll die for it
