Ben Folds, Ben Folds Landed

We'd hit the bottom
I thought it was my fault
And in a way I guess it was
I'm just now finding out
What it was all about
We'd moved to the west coast
Away from everyone
She never told me that you called
Back when I was still
I was still in love
'Till I opened my eyes
And walked out the door
And the clouds came tumbling down
And it's bye, bye goodbye, I tried
And I twisted it wrong
Just to make it right
Had to leave myself behind
And I've been flying high all night
So come pick me up
I've landed
The daily promise
She made from nothing
So nothing ever made it right
She liked to push me
And talk me back down
'Till I believed I was the crazy one
And in a way I guess I was
'Til I opened my eyes and walked out the door
And the clouds came tumbling down
And it's bye, bye, goodbye, I tried
Dredging the sea of a trouble mind
Had to leave myself behind
Singing bye, bye, goodbye, I tried
And if you wrote me off
I'd understand it
'Cause I've been on
Some other planet
So come pick me up
I've landed
And you will be so happy to know
I've come alone, it's over
And I'll open my eyes and walk out the door
And the clouds came tumbling down
And it's bye, bye, goodbye, I tried
Down comes the reign
Of the telephone czar
It's okay to call
And I will answer for myself
Come, pick me up
(Ba, ba's)
Come, pick me up
Ba, ba's
I've landed
