\*Note: this album (and obviously song) are by Ben Folds as a solo artist, not Ben Folds Five.

the lights are off again  
she took me by surprise  
she's so sensitive  
and shit just happens sometimes  
shes my everything  
shes my best friend and more  
we don't do anything we didn't do the day before you go  
you oughta know  
that i didn't mean to hurt you i just wanted you to know  
black tears are falling down her face and i am wrong  
black tears are falling and she wont say what i've done  
she's sitting here beside me, and she is gone  
black tears are falling falling  
remember long ago  
together laughing loving  
oh so long ago  
when we were buying something  
life was simple then  
but she's not happy now and i  
don't feel anything  
her lips are moving  
i am mesmerized  
by tiny lies  
i'm watching as the shapes are drawing slowly from her eyes  
black tears are falling down her face and i am wrong  
black tears are falling and she won't say what i've done  
she's sitting here beside me, and she is gone  
black tears are falling falling  
black tears are falling falling  
losing lisa  
losing lisa  
losing lisa and there's nothing i can do  
black tears are falling falling  
black tears are falling falling  
black tears are falling falling  
black tears are falling falling
