## Ben Folds Five, Rain Drops Keep Falling On My I

Raindrops keep falling on my head But that doesn't mean my eyes will soon be Turning red crying's not for me 'Cause I'm never gonna stop the rain by complaining So, I just did me some talking to the sun And I said I didn't like the way he got things done Sleeping on the job, those raindrops are falling on my head They keep falling but there's one thing I know The blues they send to meet me, won't defeat me It won't be long 'til happiness steps up to greet me Raindrops keep falling on my head And just like the guy whose feet are too big for his bed Nothing seems to fit, those raindrops are falling on my head They keep falling, yeah, but I'm free and nothing's worrying me It won't be long 'til happiness steps up to greet me Raindrops keep falling on my head That doesn't mean my eyes will soon be turning red Crying's not for me, no I'm never gonna stop the rain by complaining Because I'm free, nothing's worrying me
