

# Ben Folds, Still

Still

I must give the impression  
That I have the answers for everything  
You were so disappointed  
To see me unravel so easily  
But it's only change  
Only everything I know  
Even the things that seem still  
Are still changing

Lada lada ladadadadada lada ladadadadadada

Mother misses her baby  
But i only want it to be me  
She changed address and haircuts  
And Boyfriends and lightbulbs, it's easy  
But it's only change; only everything I know  
Even the things that seem still are still changing

Lada lada ladadadadada lada ladadadadadada  
Lada lada ladadadadada lada ladadadadadada

I stay focused on details  
It keeps me from feeling the big things  
But watch the microscope long enough  
Things that seem still are still changing

Lada lada ladadadadada lada ladadadadadada  
Lada lada ladadadadada lada ladadadadadada  
Lada lada ladadadadada lada ladadadadadada  
Lada lada ladadadadada lada ladadadadadada

Even the things that seem still are still changing  
Even the things that seem still are still  
Even the things that seem still are still changing  
Even the things that seem still are still changing

Lada lada ladadadadada lada ladadadadadada
