Remember

Won't you remember the mocking bird, my baby bun  
He used to sing for dinner, baby  
Oh he used to sing for his supper  
He used to sing so sweetly  
Since my baby left me, he ain't sang for two long days  
Oh, remember the blue-birds and the honey bees,  
They used to sing for you and me  
Oh, They used to sing about you and me  
They used to sing so sweetly  
But since my baby left me they ain't sang in two long days  
Oh won't you please come home  
Come on home to me  
Make everyday happy as can be  
And if you'll leave come on home to me  
I'll kiss you for my dinner, baby  
I'll kiss you for my supper, yeah!  
But if you don't come back you know I'll have to  
Starve to death  
'Cus I ain't had none of your loving all day now  
Oh Remember  
Would you remember  
Oh, remember the blue-birds and the honey bees,  
Singing sweetly for you and me  
Oh the mocking bird, my baby bun  
Oh don't you come home to me  
Will you remember
