Benjamin Clementine, Phantom Of Aleppoville

Leave me
Leave me
Leave me
Leave me
Aleppoville
Aleppoville
Leave me
Leave me
Leave me
Leave me
Aleppoville
Aleppoville

Oh bullying
It's alright
You've been forgiven
Come on bullying
Come down
From your sick of all tree
Where dancing roses are found
dancing
for me the different between love and hate
why is the same
difference between … and
rise put it
and the different between dog and a stranger
why is the same different?
Between children and bullying
Some say the wonder why bullied me
But I lie
Coz I Know that you Know
The we'll never never know why
The. .. the bullying
It's forgiving
Bullying, bullying
It's alright
Now it's fine
If the promise you committed
Now congratulations
Let's hope
As a gewowing …
One forgiving kiss
Wondering why it's never ending?
