Benson Boone, Drunk In My Mind

Happened pretty quickly
Jumpin in with both feet I go
Though I can't see nothing below
so ready to give up my soul
moving past the boundaries
into water so deep and cold
how could i possibly know
Which way the river would flow
me oh my
why do i try

AFTER I TASTED YOUR WINE
YOU HAD ME DRUNK IN MY MIND
BUT I SHOULD'VE TOLD YA
IM GETTING SOBER
EVEN IF I SAID THAT YOU FELT SO GOOD AT THE TIME

Oh tell me where the love went
thought that we were something
coulda woulda should been
everything that we seemed to be
was it imaginary?
like we never
danced in the dark
never kissed in the park
when i gave you my heart
you just ripped it wide open
you must be joking
from taking it slowly
to crashing full speed into
hopelessly broken

AFTER I TASTED YOUR WINE
YOU HAD ME DRUNK IN MY MIND
BUT I SHOULD OF TOLD YA
IM GETTING SOBER
EVEN IF I SAID THAT YOU FELT SO GOOD AT THE TIME
OH
HATE THAT I FELL FOR THAT SMILE
BUT I SHOULD TOLD YA
WHEN IT WAS OVER
EVEN IF I SAID THAT YOU FELT SO GOOD AT THE TIME

Baby
Bet it's driving you crazy
That you thought you could save me
But you wasted your time
I was just drunk in my mind
Baby
Bet it's driving you crazy
That you thought you could save me
But you wasted your time
I was just drunk in my mind
Bet it's driving you crazy
That you thought you could save me
But you wasted your time

AFTER I TASTED YOUR WINE
(Tasted your wine)
YOU HAD ME DRUNK IN MY MIND
(Drunk all the time)
BUT I SHOULD OF TOLD YA
IM GETTING SOBER
EVEN IF I SAID THAT YOU FELT SO GOOD AT THE TIME

I WAS JUST DRUNK IN MY MIND
IN MY MIND MIND MIND MIND MIND
I WAS JUST DRUNK IN MY MIND
DRUNK IN MY MIND
I WAS JUST
I WAS JUST I WAS JUST DRUNK IN MY MIND
