

# Beyoncé, Dangerously in love

Baby I love you  
You are my life  
My happiest moments weren't complete  
If you weren't by my side  
You're my relation  
In connection to the sun  
With you next to me  
There's no darkness I can't overcome  
You are my raindrop  
I am the sea  
With you and God, who's my sunlight  
I bloom and grow so beautifully  
Baby, I'm so proud  
So proud to be your girl  
You make the confusion  
Go all away  
From this cold and messed up world  
I am in love with you  
You set me free  
I can't do this thing  
Called life without you here with me  
Cause I'm Dangerously In Love with you  
I'll never leave  
Just keep lovin' me  
The way I love you loving me  
And I know you love me  
Love me for who I am  
Cause years before I became who I am  
Baby you were my man  
I know it ain't easy  
Easy loving me  
I appreciate the love and dedication  
From you to me  
Later on in my destiny  
I see myself having your child  
I see myself being your wife  
And I see my whole future in your eyes  
Thought of all my love for you  
sometimes make me wanna cry  
Realize all my blessings  
I'm grateful  
To have you by my side  
Every time I see your face  
My heart smiles  
Every time it feels so good  
It hurts sometimes  
Created in this world  
To love and to hold  
To feel  
To breathe  
To love you  
Dangerously in love  
Can't do this thing  
I love you , I love you, I love you  
I'll never leave  
Just keep on loving me  
I'm in love with you  
I can not do  
I cannot do anything without you in my life  
Holding me, kissing me, loving me  
Dangerously  
I love you  
Dangerously in love
