Beyoncé, Flawless (ft. Chimamanda Ngozi Adiche

I'm bout that H, town coming coming down I'm coming down, try I get it
On the ground
H, Town, Town,
I'm coming down, coming down

I know when you were little girls
You dreamt of being in my world
Don't forget it, don't forget it
Respect that, bow down bitches
I took some time to live my life
But don't think I'm just his little wife
Don't get it twisted, get it twisted
This my shit, bow down bitches
Bow down bitches, bow bow down bitches
Bow down bitches, bow bow down bitches
H Town bitches
H, H Town bitches
I'm so crown crown, bow down bitches

I'm about that H, town, coming coming down I'm coming down, try I get it On the ground

H, H town town I'm coming down Coming down Trip I get it (?) on the ground

[Chimamanda Ngozi Adiche:]
We teach girls to shrink themselves
To make themselves smaller
We say to girls
"You can have ambition
But not too much
You should aim to be successful
But not too successful
Otherwise you will threaten the man"

Because I am female I am expected to aspire to marriage I am expected to make my life choices Always keeping in mind that Marriage is the most important Now marriage can be a source of Joy and love and mutual support But why do we teach to aspire to marriage And we don't teach boys the same? We raise girls to each other as competitors Not for jokes (?) or for accomplishments But for the attention of men We teach girls that they cannot be sexual beings In the way that boys are Feminist - the person who believes in the social Political, and economic equality of the sexes
