## Beyoncé, Haunted

I would like to thank the judges for picking me My parents who I love I love you Houston

And I've been drifting off on knowledge Cat-calls on cat-walks, man these women getting solemn I could sing a song for a Solomon or Salamander We took a flight at midnight and now my mind can't help but wander How come? Spoon-fed pluralized eyes to find the beaches in the forest When I'm looking off the edge, I preach my gut it can't help but ignore it I'm climbing up the walls cuz all the shit I hear is boring All the shit I do is boring All these record labels boring I don't trust these record labels I'm touring All these people on the planet Working 9 to 5, just to stay alive The 9 to 5, just to stay alive /6x All the people on the planet Working 9 to 5 just to stay alive How come?

What goes up, ghost around Goes around around around What goes up, ghost around Ghost around around around

Ah-rou-ou-und ah-rou-ou-und ah-rou-ou-und /7x

Sold not for sale Probably won't make no money off this, oh well Reap what you sow Perfection is so... Mm

It's what you do It's what you see I know if I'm haunting you You must be haunting me

It's where we go It's where we'll be I know if I'm on to you, I'm on to you On to you, you must be on to me

My haunted lungs Ghost in the sheets I know if I'm haunting you You must be haunting me

My wicked tongue
Where will it be?
I know if I'm onto you
I'm on to you
On to you, I'm on to you
On to you, you must be on to me

You want me?
I walk down the hallway
You're lucky
The bedroom's my runway
Slap me!
I'm pinned to the doorway
Kiss, bite, foreplay

My haunted lungs Ghost in the sheets I know if I'm haunting you You must be haunting me

My wicked tongue Where will it be I know if I'm onto you You must be onto me

It's what we see
I know if I'm haunting you
You must be haunting me
It's where we go
It's where we'll be
I know if I'm onto you, I'm onto you
Onto you, I'm onto you
Onto you, you must be onto me
You must be onto me (on to you, I'm on to you) /4x

Me (on to you, I'm on to you) /5x
