

Beyoncé, My, Myself and I

All the ladies If u feel me help me sing It out.....

[Rozmowa]

1.

i cant belive I believed
everything we had would last
so young and naive for me to think
she was from your past
silly of me to dream of
one day having your kids
love Is so blind
it feels right when Its wrong

i cant believe I fell for your schemes
i'm smarter than that
so dumb and naive to believe that
with me you're a changed man
foolish of me to compete
when you cheat with loose women
it took me some time but now I've moved on, because I realized I got?

Ref.

me, myself and I
that's all I got In the end
that's what I found out
and It aint no need to cry
i took a vow that from now on
i'm gon'na be my own best friend

me, myself and I
thats all I got In the end
thats what I found out
and It aint no need to cry
i took a vow that from now on
i'm gon'na be my own best friend

2.

controlling, you say that you love me
but you dont
your family told me one day
i would see It on my own
next thing I know I'm dealing
with your three kids In my home
love Is so blind It feels right when Its wrong

now that Its over
stop calling me
come pick up yo clothing
no need to front like ya still wit me
all your homies know
even your very best friend
tried to warn me on the low
it took me some time
but now I am strong, because I realied I've got??

Ref.

me, myself and I
that's all I got In the end
that's what I found out
and It aint no need to cry
i took a vow that from now on
i'm gon'na be my own best friend

me, myself and I
that's all I got In the end
that's what I found out
and It aint no need to cry
i took a vow that from now on
i'm gon'na be my own best friend

i got me, myself and I
i know that I will never disapoint myself
my eyes have cried a thousand times
all the ladies If you feel me help me sing It out
i can't regret time spent with you
yeah you hurt me but I learned a lot along the way
it's how I learned to make It through
after all the rain you see the sun come out again

now I've got me, myself and I
yeah, I know that I will never disapoint myself
my eyes have cried a thousand times
i've cried, all the ladies If you feel me help me sing It out
i can't regret time spent with you
yeah you hurt me but I learned a lot along the way
it's how I learned to make It through
after all the rain you'll see the sun come out again, yeah-ah-ee

oh oh oh ooh ooh ooh ooh
ooooh oooooh oooooh oooooh
oooooh ooooooh ooooooh uhooo
uhooo yeah ah

i got me, myself and I
me, myself and I
my eyes have cried a thousand times
i have cried so many times
i can't regret time spent with you
i can't regret time spent with you
it's how I learned to make It through
after all the rain you'll see the sun come out again!

I got me, myself and I
i know that I will never disapoint myself
my eyes have cried a thousand times
if you've cry a thousand times, ladies you will survive
i can't regret time spent with you
yeah you hurt me but I learned a lot along the way
it's how I learned to make It through
i can see the sun shine, I've got me, myself and I
