

Big Dumb Face, Duke Lion

He's the son of man and God and lion
He's the one who keeps the good from dyin'
We've seen the rest, he is the best,
He's the best and his name is Duke Lion!
His golden sword can shoot out balls of fire,
His special armor makes him never tire,
His magical arrows fly like sparrows,
He fights for good for free, he's not for hire...
A bolt of lightning from the sky, Duke Lion,
Where there is battle he will fly, Duke Lion
He's never late, he's super great!
He's here to stay, so let us thank, Duke Lion.
Here he comes to save the day, Duke Lion,
He will make the villians pay, Duke Lion.
His golden sword will crush the hoard,
He's here to stay, so let us thank Duke Lion!
He's the son of man and God and lion.
He's the one who keeps the good from dyin',
We've see the rest, he is the best.
He's the best and his name is Duke Lion!
