

Big Head Todd And The Monsters, Cold Blooded

Should have known better...
I should have known but I...
I didn't know better.

How can you be so
So dog gone mean
How can you be so
So uptight
How can you be so
Ahhhhhh...
How can you be so
Cold blooded.

Should have known better...
I should have known but I...
I didn't know better.

How can you be so
Whoa, so (??)
How can you be so
Stone cold
How can you be so
Diabolical
How can you be so
Cold blooded.
