Big Head Todd And The Monsters, Engine Light

Yes, I want to get ya but I can't y'all 'Till she gets around to what she came for If you're into the sound then get your dance on One you can't cut it with a chainsaw I just want you next to me

Come on engine light in your heart Turn on for me Or at least flicker slowly Love is gonna sound the alarm You are my one You are my only

Yes, I wanna catch her but she breeze by Chasin' the wind and the winter sky Engine in dreams, I'm pushing by Droppin' my keys I'll let you take my ride I just want you kissin' me

Come on engine light in your heart Turn on for me Or at least flicker slowly Love is gonna sound the alarm You are my one You are my only

I know what you said but you can't mean by Trouble with the man he ain't rich now He's a serious dude he ain't Rip Torn Prayin' for rain he get a hailstorm I just want you messin' with me

Come on engine light in your heart Turn on for me Or at least flicker slowly Love is gonna sound the alarm You are my one You are my only
