Big Head Todd And The Monsters, Family Situation

Like Bonnie and Clyde, we got a family situation Yeah, we mighta done it but it wasn't premeditated Now she is your con man, now I am your hooded guru Now she is a family man, paying family dues

She, she drive a fancy car with gold letters Me I got a Nova painted black checkered Now I am a money man, now I am an evil fool Now that I'm a family man, I'm paying family dues

Baby took the World Bank, might have got 30 million Security was tight, it was too late for disappearin' But she love me on the job site, love me on the getaway too Love me like a family man, paying family dues But she love me on the job site, love me on the getaway too Love me like a family man, paying family dues
