

Big Head Todd And The Monsters, Glow

You've drawn your circle in the sand
I'm not the one you're thinking of
You're late to change your desperate hand
And turn your hurt/heart? into a song

You're believing to prove that you're sincere
Still you're keeping the distance between us clear
If you're burning a candle to turn me on
Why don't you glow (why don't you)
Why don't you glow (why don't you)
Why don't you glow

You found your love's a blank screen now
Tender transmissions at the end
So why did you misplace your vow
And all to settle with a frown

And your kisses that tell me that you're not here
Premonition won't end your secret fear
If you're burning a candle to turn me on
Why don't you glow (why don't you)
Why don't you glow
Why don't you glow
Why don't you glow
Why don't you glow
Why don't you glow

I wait
The lonely days can tick along in the merry run to you
You see what bad is gone and then you'll long to be my lover too

Still your kisses that tell me that you're not here
Premonition won't end your secret fears
If you're burning a candle to turn me on
Why don't you glow (why don't you glow)
Why don't you glow
Why don't you glow
Why don't you glow
Why don't you glow
Why don't you glow
