

Big Head Todd And The Monsters, Midnight Radi

Driving far from home.
On a midnight radio.
Reckless and alone.
On a long black road.
The city is burning like a dream.
Like a lady smoking in the night.
And she lets out a silent scream.
So far from the morning light.

And I don't know where to go.
And I don't know where I've been.
And I don't know if I'll still be here.
When the sun rises again.
But somewhere in the distance.
There's a tower and a light.
Broadcasting a resistance.
Through the rain and through the night.

Hold me in the darkness.
Love is playing in the darkness.
On a midnight radio.

So grab your little sister.
Wake up your children and your wife.
'Cause a new train's coming mister.
Around the borders of the night.
Wavelengths of love are playing
On a midnight radio.
Through the static and the rain.
On a midnight radio.
Through the static and the rain.
On a midnight radio...
