

Big Head Todd And The Monsters, Vincent Of Je

Vincent of Jersey.

He's wearing a red and white t-shirt.

He's loving the ladies upon his floor.

A bottle of brandy, a hard box of Camels.

Waiting for love to come knocking on his door.

And he says something like ...

Someday somebody's gonna love me

Someday it's me they're looking for

Somewhere I know somebody wants me 'cause I'm...
