

# Billie Eilish, Bad

[Verse 1]

Your butt is mine  
I'm gonna tell you right  
Just show your face  
In broad daylight  
I'm telling you  
On how I feel  
Gonna hurt your mind  
Don't shoot to kill  
Come on, Come on  
Lay it on me  
All right

[Verse 2]

I'm giving you  
On count of three  
To show your stuff  
Or let it be  
'Cause I'm telling you  
Just watch your mouth  
I know your game  
What you're about

[Pre-Chorus]

Well they say the sky's the limit  
And to me that's really true  
But my friend you have seen nothing  
So just wait till I get through

[Chorus]

Because I'm bad, I'm bad, c'mon  
You know I'm bad, I'm bad, you know  
You know I'm bad, I'm bad, I'm really really bad  
And the whole world's got has to answer right now  
Just to tell you once again  
Who's bad?

[Verse 3]

The word is out  
You're doing wrong  
Gonna lock you up  
Before too long  
Your lying eyes  
Gonna tell you right  
So listen up  
Don't make a fight  
Your talk is cheap  
You're not a man  
You're throwing stones  
To hide your hands

[Pre-Chorus]

Well they say the sky's the limit  
And to me that's really true  
But my friend you have seen nothing  
So just wait till I get through

[Chorus]

Because I'm bad, I'm bad, c'mon  
You know I'm bad, I'm bad, you know  
You know I'm bad, I'm bad, I'm really really bad  
And the whole world's got to answer right now  
Just to tell you once again  
Who's bad?
