

Billie Eilish, She's Broken

Another story of girl meets boy and gets destroyed
Another promise broken in two, the lucky view of fiction

Fade away, fade away
Teach me how to fade away
Another story of girl meets boy

He's okay, she's broken
He's the ocean waves, she's chokin'

Fade away, fade away
Teach me how to fade away
Another story of girl meets boy

So picture perfect, it can't be real and all you feel is numb
You see them talking but hear no sound to hit the ground
And fade

He's okay, she's broken /don't leave me, don't leave me/
He's the ocean waves, she's chokin' /don't leave me, don't leave me/

Don't want it, don't need it
Don't want it
Don't want it, don't need it
Don't want it
Don't want it, don't need it
Don't want it
Don't need it, don't, don't need it
Don't need it, don't, don't need it
Don't need it, don't, don't need it
