

# Billie Eilish, True Blue

Lights out  
You're not here holding me  
I count  
Every tear down my cheek  
Instead of sheep

Sleep walk  
Find myself on your street  
Three knocks  
Ring the bell then I leave

I tried a little black and white but I'm so blue  
I'd like to mean it when I say I'm over you  
But that's still not true

Cold days  
Frozen lake in the park  
Old ways  
Make mistakes when I'm lost  
Now it goes

Bad dreams  
Might not mean anything  
But you seem  
Not to need anything

I tried a little black and white but I'm so blue  
I'd like to mean it when I say I'm over you  
But that's still not true

I'm still so blue  
True blue, true blue, hey  
True blue

I tried a little black and white but I'm so blue  
I'd like to mean it when I say I'm over you  
I tried a little black and white but I'm so blue  
I'd like to mean it when I say I'm over you  
But that's still not true

And I'm still so blue  
True blue, true blue, hey  
True blue
