

Billy Idol, Cherie

Like the moon moves the tides
You influence my mind
Like the planets and the stars
Keep the rhythm to your time
Are you happy with him?
Yes I let you go

Girl I love you
Cherie I love you so
Girl I love you
I was a fool to let you go

Like the alchemist
Who couldn't resist the devil's kiss
Base metal into gold
And the psychiatrist
Who's battling deep within his own soul
I was like them down the hole

Girl I love you
Cherie I love you so
Girl I love you
I was a fool to let you go

All the memories of your life
Like Venice in the spring
New York City summers
Paris, London winters' chill

Girl I love you
Cherie I love you so
Girl I love you
I was a fool to let you go

I love you so
Want you to know
I love you so

As the apples fall, the leaves turn
Make it too autumn's call
But you still know your way
Never be outdone at all
And if I falter I see it in our child

Girl I love you
Cherie I love you so
Girl I love you
No I won't let go

Girl I love you
Cherie I love you so
Girl I love you
No I can't let go

Girl I need your sunshine to feel alright
Girl I need your sunshine to feel alright

Girl I love you
Cherie I love you so
Girl I love you
I was a fool to let you go
