

# Billy Idol, Daytime Drama

Day by day  
Hour by hour  
What haunts my nighttime  
Shatters my daylight  
Even good friends  
Have no answers  
Beautiful stars  
You don't want a hard patch  
Just a few facts  
It's use and abuse  
You'd write your story  
As work for playtime  
Time for love  
My beautiful stars  
Beautiful stars

Don't touch her man  
I want her over and over again  
Don't touch her man  
I want her over and over again

Beautiful stars  
In my daytime drama  
When I ask the questions  
War and answers  
See you dancing  
Romancing what I want  
My beautiful star  
Beautiful star

Don't touch her man  
I want her over and over again  
Don't touch her man  
I want her over and over and over and over

Beautiful star  
Of my daytime drama  
Yes it's in my hand now  
You're my hope for a future  
Beautiful star  
Of my daytime drama  
Love to win a boy  
You're my hope for a future  
Some are happy and some are amazed  
Some are devoted  
Some are saved  
I was one, but I was saved  
Again, again  
Beautiful star of a daytime drama
