Billy Idol, Heroin

Well I wish, I was born
A thousand years ago
And I wish that I sailed
The darkened sea
On a great big clipper ship
Goin' from this land into that
In a sailors suit and cap
Away from the big city Away from the big city

Where a man cannot be free Of all the evils in this town And of himself and those around And I'm closin' in on death

And I guess that I just don't know And I guess that I just don't know

Ah - Jesus died for somebody's sins But not mine Jesus died for somebody's sins But not mine

I don't know just where I'm goin' - Ahh But I'm gonna try for the kingdom if I can - yeah 'Cause it makes me feel like I'm a man When I put a spike into my vein And I tell you things aren't quite the same It's a mainline to my pain

Jesus died for somebody's sins
But not mine - HEROIN
Jesus died for somebody's sins
(I can feel it)
But not mine - HEROIN
I said, Jesus died for somebody's sins
But not mine - HEROIN

I have made a very big decision
I gonna try to nullify my life you know
I get so low and then the smack flows
I don't care I'm gonna make it my wife
Because when the blood begins to flow
And shoots up the droppers neck
And I'm closin' in on death
You can all go take a walk

And I guess that I just don't know And I guess that I just don't know

Jesus died for somebody's sins
But not mine - HEROIN
Jesus died for somebody's sins
(I can feel it)
But not mine - HEROIN
I said, Jesus died for somebody's sins
But not mine - HEROIN
I said, Jesus died for somebody's sins
But not mine - HEROIN not mine,
HEROIN, smack attack

Jesus died for somebody's sins But not mine - HEROIN Jesus died for somebody's sins But not mine - HEROIN Jesus died for somebody's sins But not mine - HEROIN Jesus died for somebody's sins But not mine - HEROIN Smack attack

Don't touch that needle
V.R. HEROIN
V.R. HEROIN
V.R. HELL HEROIN (forever)
And I'm closin' in on death
