

# Bishop Briggs, Be Your Love

I'mma be your love /4x

Stone cold, out of sight  
Too dark to trace the light  
Don't leave me when I'm alone  
And I'll be here when daylight's gone

I'mma be your love  
When the fire burn, when the blessed turn  
I'mma be your love, I'mma be your love  
When the crazy world turn to hell on Earth  
I'mma be your love, I'mma be your love  
When the fire burn, when the blessed turn  
I'mma be your love, I'mma be your love  
When the crazy world turn to hell on Earth  
I'mma be your love, I'mma be your love

Bad blood come and go  
But you're still coming home  
Ain't no mountain tall enough, baby  
We rise, we fall, we fall

I'mma be your love  
When the fire burn, when the blessed turn  
I'mma be your love, I'mma be your love  
When the crazy world turn to hell on Earth  
I'mma be your love, I'mma be your love  
When the fire burn, when the blessed turn  
I'mma be your love, I'mma be your love  
When the crazy world turn to hell on Earth  
I'mma be your love, I'mma be your love
