## Black Sabbath, Letters From Earth

Well it's a cold world And I'm in the middle Caught in the in-between

I don't belong here So I'm writing to you It's wrong here Where I'm sending you some

Letters from earth, yeah

Well it's a new world And now I'm a stranger Stranger than you know

I don't belong here And I'm writing to you With blood on my hands

What if I send you madness What if I send you pain And letters from earth, ooh All right

Come on it's another game
But you gotta play on
Cause they say it's just pretend
Ask them why they say you'll never, never die
Come on - the game is called the end

Well it's a cold world And I'm in the middle Caught in the in-between

I don't belong here So I'm writing to you Hey let me explain

What if I send you confusion
What is the time and the pain worth
Oh no no
I'm only sending
Letters from the earth
