

BLANKA (PL), Rodeo

I'm burnin' in the yellow light
Turn the music up and drop it low
Shakin' off your bad, bad lies
Tonight, I'm fallin' off of your rodeo
Don't hit me up, I'm done with ya, you did me so wrong
I can't deny, I'm good on my own
You ain't the one, one to keep, my mama don't like ya
Get off your knees, you're nothin' to lose
I'm outta love
You've done enough
Keep runnin' off
Tonight, I'm lettin' go
I'm burnin' in the yellow light
Turn the music up and drop it low
Shakin' off your bad, bad lies
Tonight, I'm fallin' off of your rodeo
I'm movin' 'til the sun goes down
Oh, it's gettin' hot and heavy now
I'ma have a real good time
Tonight, I'm fallin' off of your rodeo
(Fallin' off of your rodeo)
I'm dancin' on table tops, you're outta my mind
You had your shot, no more you and I
I'm outta love
You've done enough
Keep runnin' off
Tonight, I'm lettin' go
I'm burnin' in the yellow light
Turn the music up and drop it low
Shakin' off your bad, bad lies
Tonight, I'm fallin' off of your rodeo
I'm movin' 'til the sun goes down
Oh, it's gettin' hot and heavy now
