

# Blaque, Stay By Your Side

Ohhhh Ohhh oww Ohh  
hey yeah yeah yeah yeah  
ohh yeah  
Stay by your side  
no matter what they say  
I will be alright  
as long as u don't turn  
your rays from me  
I'll be right there for you  
don't worry I'll always stay by your side  
(Your side, your side... )  
Stay by your side  
(Your side, your side...)  
I'll stay by your side  
no matter what arrives  
he's here when I  
so cling to me my friend  
and hold on tight  
don't ever let me go  
don't worry  
Stay by your side  
(Your side, your side...)  
Ohhh,  
(Your side, your side...)  
Ohh ooooo,  
when the time comes and u need someone to  
turn to don't u think that I will never be  
there ohh yeah yeah  
and in this world of ups and downs  
(ups and downs)  
we'll see people all around  
(all around)

(for a second)  
I don't care
