

# Blonde, I Loved You (feat. Melissa Steel)

I loved you, loved you /3x

Just another day of not being in your way  
So I'm all alone,  
all alone ooh yeah  
Just another week, we don't know how this'd be  
But I'm holding on  
Stop treating me so wrong!

Give me your loving  
give your mind  
Give your kissing  
give me some time  
'Cause I can't live a lie if my heart walks out your life  
Give me your loving  
give some easy  
Give me your kissing  
give me a reason  
To make me wanna stay  
Wanna go back to the day I loved you!

More (we hand our money)  
More, but I say I loved you more  
Baby all I needed is more time and more money  
More, everyday was sunny  
More, if I think about it more  
Baby all I needed is more time and more money

More, and more  
If you want to stay a little me will be ok  
Walk out the door,  
I think it's time I find that guy not gonna lie for day and night  
Be by my side baby, be a romance to his lady

Give me your lovin', give your mind  
Give your kissin', give me some time  
'Cause I can't live a lie if my heart walks out your life  
Give me your lovin', give some easy  
Give me your kissin', give me a reason  
To make me wanna stay  
Wanna go back to the day I loved you!

More (we hand our money)  
More, but I say I loved you more  
Baby all I needed is more time and more money  
More, everyday was sunny  
More, if I think about it more  
Baby all I needed is more time and more money  
I-I-I could walk away, turn my back  
But I can't do that,  
No I can't do that  
I loved you more than just what's in the pack  
And that's a fact  
And that's a fact

Let it go,  
When you'll be home give me your heart  
Give me your soul,  
Like we used to be  
You used to make me happy,  
Oh, give me your trust, give me your passion  
Give me your love  
To make me wanna stay,  
I wanna go back to the day I loved you

More (we hand our money)  
More, but I say I loved you more  
Baby all I needed is more time and more money  
More, everyday was sunny  
More, if I think about it more  
Baby all I needed is more time and more money  
More (we hand our money)  
More, but I say I loved you more  
Baby all I needed is more time and more money  
More, everyday was sunny  
More, if I think about it more  
Baby all I needed is more time and more money
