

# Blonde Redhead, 23

Twenty three seconds  
All things we love will die  
Twenty three magic  
If you can change your life  
Your tainted heart, your tainted heart  
My tainted love, my tainted love  
Repent now  
How many times  
As long as you live  
How many times  
The world will go around  
He was a friend of mine  
He was a son of god  
He was a son of a gun  
He was a son of god  
He was a friend of mine  
He was a son of god  
He was a son of a gun  
He was a son of god  
Twenty three seconds  
In you I see a chance  
Twenty three magic  
If you change the name of love  
Your crazy heart  
My crazy love  
Repent now  
How many times  
As long as you wish  
How many times  
The world will go around  
How many times  
As long as you want  
How many times  
The world will go around  
He was a friend of mine  
He was a son of a gun  
He was a son of god  
He was a son of god  
He was a friend of mine  
He was a son of a gun  
He was a son of god  
He was a son of god  
He was a friend of mine  
He was a son of a gun  
He was a son of god  
He was a son of god  
Twenty three
