

# Blueface, 2 Coccs (feat. D Loc)

I'm in the party with my Glock (Bop)  
She gettin' freaky 'cause she grindin' on two cocks (Two dicks)  
Weed got me high and this Henny got me drunk (Got me drunk)  
Blowdryer on me case a nigga need his hair done (Case a nigga need his hair done)  
I'm in the party with my Glock (Bop)

I got that kickback for a nigga tryna chit-chat  
Get back, big dick, big gat  
Keep a MAC for a nigga tryna network  
Sent him a message just to show him how the text work, bitch  
I bust down, my neck worth  
No cap, I'm on his head 'til his neck hurt  
Put his top, his lap, show him how the neck work  
Pull the cord, yeah aight, now that's a wet shirt, nigga  
Blowin' smoke 'til his lungs hurt  
Professor with the blower, I'm finna give him a lecture, pressure  
Janky baby, I just look like this  
Niggas thought it was sweet 'til I upped that bully tester
