

# Blueface, First Class

(F-Beat producing all the heat)  
(Blueface baby, y'aight)

First class what I spent on the shoes  
Baguettes guaranteed I'm getting this boo  
Oo-oooh baby, blow it like soup  
I'm so hot I get paid to be cool  
First class what I spent on the shoes

You not from my set then get out my section  
Fuck your birthday, my presence is a present  
What's a dollar to a nigga with a million?  
Bought it just to cop it, save for her feelings  
Broken hearts, Gucci heels just to heal it  
She gon' have to deal with whoever I deal with  
They say its cheaper to keep her  
I'm too rich for a commitment

I'm a man with a mansion  
Can't forget to mention handsome  
Never ran with a random  
My pinky ring look like a Samsung  
My only outcome is income  
You fucked my bitch, nigga which one?  
Huh? Which one  
Huh? Which one

Porsche socks and it came with the coupe  
I fucked her last night, she was the truth  
First class flight, I flew out your boo  
Her head right but that pussy was loose  
Told her hitch hike when I bought her some boots  
Rich nigga we been eatin' at Ruth's  
Five star dinner for the mu'fuckin' crew  
That's a rental, that's why ain't nobody fooled  
Shot your sprinter up, you know how we do  
Southside nigga and the color is blue  
One on one, I ain't come here to loose  
Gunna-Gunna bought a new Jimmy Choo  
In the penthouse fuckin' hoes by the twos

Told 'm get out, called a whole 'nother group  
I brought the mike out, I ain't go in the booth  
Ain't tryna fight it out, I'ma just shoot  
Three thousand dollars what I spent on the shoes

These ain't Louis Vuittons, these Christian Lou's  
Bar Mitzvah on me, nothin' but jewels  
Baguettes guaranteed I'm getting this boo  
Baby blowin' dick just like a flute  
Mmm, mmm, mmm, ooo, ooo  
Play with the dick just like peek-a-boo  
Walk in the club and I pick a boo  
Fuck 'em both 'cause I don't wanna choose  
They gon' holler for a dollar  
Fuck it, I'm rich, bitch
