Blueface, Next Big Thing

Yike Mike made this beat
This bitch keep telling me I'm the next big thing
Like I don't already know that, bitch, yeah aight

This bitch said I'm the next big thing (Big thing)
Bitch, shut the fuck up and suck this big thing (Big thing)
Crack a bitch, I ain't even got no cocaine (She smoking dick)
She smoking dick, I'm a crip, I just blew her brain (Scoop)
This bitch said I'm the next big thing (Big thing)
Bitch, shut the fuck up and suck this big thing (Big thing)
Crack a bitch, I ain't even got no cocaine (She smoking dick)
She smoking dick, I'm a crip, I just blew her brain (Scoop)

Fucked 'em with the fashion, bounce out, I'm finna bleed (I just fucked 'em)
Sagging, I attract a bitch with Gucci and mink (Big thing)
That nigga might have the juice, but baby, I got the sauce dripping
If you don't know which one lasts longer, you better check the kitchen
Told her dumb ass I was gon' make it, but a bitch never listen (Stupid)
Now the bitch missing (Missing)
Crafty with the dick, blowing her back, throwing up the gang (Scoop)
Beat the pussy out the frame (Out the frame)
I'm just tryna get it in, I don't want no relations (No relations)
This ain't no doctor's office, baby, I ain't got no patience (I ain't got no patience)
This ain't no waiting room, baby, so ain't no room for waiting (Ain't no room for waiting)
Gucci belt, my pants sagging 'til the meat show (Big thing)
Yeah aight, bitch, welcome to the meat show
Freak show, my life a movie scene, I shoot pornos (Yeah aight)
Got the pussy in a chokehold
Bitch, I'm really stone cold

This bitch said I'm the next big thing (Big thing)
Bitch, shut the fuck up and suck this big thing (Big thing)
Crack a bitch, I ain't even got no cocaine (She smoking dick)
She smoking dick, I'm a crip, I just blew her brain (Scoop)
This bitch said I'm the next big thing (Big thing)
Bitch, shut the fuck up and suck this big thing (Big thing)
Crack a bitch, I ain't even got no cocaine (She smoking dick)
She smoking dick, I'm a crip, I just blew her brain (Scoop)
