

# Blur, Caramel

I've gotta get over  
I've gotta get over  
I've got to get better  
Will love you forever  
I've gotta find genius  
I've gotta get better  
I've gotta stop smoking  
I've gotta get better

Caramel Caramel...

Where is the magic?  
I've gotta get better  
Oh lord give me magic  
I'll love you forever  
I've gotta find mounts hill  
And live by the mountains  
I'll love you forever  
You are...And you are...
