

# Blur, I Love Her

Verse 1:

I look at her  
Just to see  
Is there anyone out there  
For me  
If you look at her  
Do you see  
Is there anything in there  
For me

Chorus:

I love her  
I love, love her  
She dont care if I live or die  
That is why I love her

Verse 2:

So dont talk to me  
Dont talk to me  
Theres so little I can say when i feel this way  
So dont talk to me  
Dont talk to me  
Theres very little I can say when i feel this way

Chorus:

I love her  
I love, love her  
She dont care if I live or die  
That is why I love her  
I love, love her  
She dont care if I live or die  
That is why I love her...

I love her, I love love her  
She dont care if I live or die  
That is why I love her  
I love, love her  
She dont care if I live or die  
That is why...

I love her(x4)
