

# Blur, Maggie May

Wake up Maggie  
I think I've got something to say to you  
It's late September  
And I really should be back at school  
I know I keep you amused  
But I feel I'm being used  
Oh, Maggie I couldn't have tried anymore

You led me away from home  
Just to save you from being alone  
You stole my heart and  
That's what really hurts

All I needed was a friend to lend a guiding hand  
It's learning to a lover and  
Mother what a lover and you wore me out  
All you do is wreck my bed  
And in the morning kick me in the head  
Oh, Maggie I couldn't have tried anymore

You led me away from home  
Just to save you from being alone  
You stole my heart  
I couldn't leave if I tried

I suppose I could collect my books and go back to school  
I'll steal my dad's cue  
And make a living out of playing pool  
I'll find myself a rock n roll band  
That needs a helping hand  
Oh, Maggie, I wish I'd never seen your face

You made a first class fool of me  
But I'm as blind as a fool can be  
You stole my heart  
But I love you anyway
