

Blur, Swamp Song

Give me good times
Give me sali-va
Give me fever
I'm a believer

Give me insane
Give me space brain
Give me music Give me love
Abandon us in love

Gimme good times
There no joke rhymes
Gimme easy breathing
Give me everything
Everything, Everything

WAKAH-WAKAH

Gimme good times
And give me sali-va
Give me fever
I'm a believer

Give me insane
Gimme space brain
Don't leave me ever
We'll live forever
Yes we will - I know we will

Gimme good times
Give me sali-va
Give me fever
I'm a believer

Give me insane
Gimme space brain
Don't leave me ever
We'll live forever
Yes we will, I know we will

Stick it in my veins
Stick it my veins
Stick it in my veins
