

Blur, Yuko And Hiro

This is my work place
And these are the people I work with
Yuko and hiro
We work together
We work for the company
That works to the future
We work hard to please me
They will protect us

I never see you
We're never together
I'll love you forever

I drink in the evening
It helps with relaxing
I can't sleep without drinking
We drink together
From monday to saturday
I go to my workplace
But on sunday we are together
Yuko and hiro

I never see you, I never see you
We're never together, we're never together

I never see you, I never see you
We're never together, we're never together
I love you forever
