

# Bob Dylan, Handy Dandy

Handy Dandy controversy surrounds him  
He's been around the world and back again  
Something in the moonlight still hounds him.

Handy Dandy just like sugar and candy  
Handy Dandy if every bone in his body were a-broken he would never admit it  
He got an all girl orchestra and when he says strike up the band they hit it.

Handy Dandy  
He'll say what are you made off  
He'll say can you repeat what you say  
You'll say what are you afraid off  
He'll say nothing neither alive nor dead.

Handy Dandy he's got a stick in his hand and a pocket full of money  
He'll say oh darling tell me the truth how much time I got  
She'll say you got all the time in the world honey.

Handy Dandy  
He got that clear crystal fountain  
He got that soft silky skin  
He got that fortress on the mountain  
With no doors or windows so no thieves can break in.

Handy Dandy sitting with a girl named Nancy and I got feeling kinda lazy  
He said Hon' if you want a gun I'll give you one  
She said boy you're talking crazy.

Handy Dandy pour him another brandy  
Handy Dandy he got a basket of flowers and a bag full of sorrow  
He finishes his drink he gets up from the table he says
