Root, natty, roots; dread, kinky, dread  
landl are the roots

Some are leaf (shoo-be-doo)  
Some are branches (shoo-be-doo)  
landl are the roots

Some are dry wood (shoo-be-doo)  
For the fire (shoo-be-doo)  
Whyo, look at that

They need a dry wood (shoo-be-doo)  
To cook their raw food (shoo-be-doo)  
Whyo, look at that  
Got to survive in this man-mania downpression  
Got to survive in iration

Me say, root, natty, root  
Dread, kinky, dread  
landl are the roots

Some are wolf (shoo-be-doo)  
In sheep clothing (shoo-be-doo)  
Whyo, look at that

Many are called (shoo-be-doo)  
A few are chosen (shoo-be-doo)  
Whyo, look at that

Nothing they can do (shoo-be-doo)  
To separate landl (shoo-be-doo)  
From the love of our Father  
You see, blood is thicker than water  
Whyo, look at that  
Got to survive in the ghetto  
Got to survive, people don't fret, no

We got a root, natty, root  
Dread, kinky, dread  
landl are the roots

Root natty  
Dread kinky  
landl are the roots
