

Bobaflex, Doom Walker

Warning, warning

the planet earth is under attack

run for your fucking lives

Verse

Now, now begins the invasion

Stay in attack formation

Blast every human in your sights

Rape this planet for its life

Chorus

I am the conqueror of your species

Doomwalker, of the galaxy

I will Destroy (4x)

I am from another planet

You will never understand it

We are a race that likes to acquire things

Verse

Alien warlords come through a space warp

They swarm the cities and man is a refugee

Last chance, five pilots, stealth fighters

Armed with nukes to shoot the mother ship down

2nd Chorus

Fight! Are you ready to fight?

Die! Are you ready to die?

Here they come now!

Rape this planet for its life

Repeat 1st chorus

Outro

I can see your face in the clouds

So we moved deep, under the ground
