

BOKKA, Too Far Too Close

Where is too far?
Where is too close?
How to know?

When to stop
Not to hurt
Anyone and yourself

I'm lost between desire and shame
I'm lost
There's no one I can tell

Where ends love and start hate?
How to know
Where is the point of no return?
How to know

I'm lost between desire and shame
I'm lost
There's no one I can tell
