## Boney M, When A Child Is Born

A ray of hope flitters in the sky

A tiny star lights up way up high All across the land dawns a brand new morn This comes to pass when a child is born A silent wish sails the seven seas The winds have changed whisper in the trees And the walls of doubt crumble tossed and torn This comes to pass when a child is born A rosy hue settles all around You've got the feel you're on solid ground For a spell or two no-one seems forlorn This comes to pass when a child is born (Spoken) And all of this happened Because whe world is waiting Waiting for one child Black, white, yellow, no one knows But a child that would grow up and turn tears to laughter Hate to love, war to peace

And everyone to everyone's neighbour Misery and suffering would be forgotten forever It's all a dream and illusion now It must come true, sometimes soon somehow All across the land dawns a brand new morn This comes to pass when a child is born All across the land dawns a brand new morn This comes to pass when a child is born When a child is born
