

Boyz II Men, U Know

Verse:

I heard ya calling baby,
I've known it for awhile,
I wasn't naive to denews my mind I just couldn't walk a mile.
I only see you with me,
Cuz I know the things you like.
I know all that you will be,
And all the plans of your life.
So take a minute to understand me,
To re-evaluate your mind,
I'm everything you need and in this world a good man's hard to find.
And I know you'll miss me,
When all is said and done,
You'll think about this day and then you'll realize I was the one.

Chorus:

U know,
That all u need is in me.
And u know,
That my love's alright (ohhh, o)
U know,
I can't be denied girl u know,
U know, u know.

Verse:

Gave you all a man can give ya,
Made sure I found the time.
To keep it all together,
Although the way you treating me ain't right.
Can't understand it,
Why you doing me the way,
You do it do you enjoy to see our love faded away.
Can't face the world without ya,
Can't even sleep at night.
Gave you all that I treasure,
I'm not trying to let you go, (ooohhhh)
And I know you'll miss me,
When all is said and done,
You'll think about this day and then you'll realize that I was the one.

Chorus:

2X

You Know
You Know
You Know
I can't be tonight girl U know,
U know, U know...

(oh yea)
(ooohhhhhh)

U know...

Chorus:
