

# Bracia, Got me down

1.It happened once upon a time  
We had a happy life  
and burned it to the ground  
Our days forever wasted  
Our hearts so full of hatred  
Right behind the smile...  
Who made us just the way we are?  
We're doing what we like  
And never take the blame  
Ref. Here and now  
Life has got me down  
Life has got me down  
Here and now life has got me down  
It's over...

2.The mighty politicians  
Playing the inquisition  
Tell us what to do  
I can't stand it any longer  
Why don't they ever wonder  
What we going through?  
Ref.Here and now  
Life has got me down  
Life has got me down  
Here and now life has got me down  
I'm dying...  
You'll never take me  
You'll never brak me  
I'm not afraid ' cause  
I don't care anymore  
Ref.Here and now  
Life has got me down...  
It's over...
