

Brainpool, Skyscraper

ERNIE: I aim to reach the sky
To scale the highest high
And really scrape the sky
I wanna be supreme
Go down in history
I wanna be supreme

Over the rooftops and over the sea
That's where you'll find me - that's where I'll be
My portrait in neon - my name carved in stone
The company logo all over the moon

Wo wo wo wo wow
Wo wo wo wo wow
Wo wo wo wo wow
Now they're gonna make a film
Based upon the book
I wrote about myself
